## Quality Policy

Koechner Manufacturing Co., Inc. is committed to providing products and services to support the poultry industry, giving customers confidence in the design and build quality of our products, and impacting positively on their quality of services. We strive to ensure repairs and fabrication requests meet or exceed customer and regulatory requirements.

We honor all applicable requirements, government regulations and standards as they may apply to our processes, products, and services. We also seek to continually improve our quality management system, obtaining and retaining certification to satisfy and exceed our customers' expectations.
